https://cahe6160.github.io/websitehtml/

EDUCATION

University of Colorado Boulder | B.S. Computer Science
Aug 2018 - May 2022 (Expected)
GPA : 3.3

EXPERIENCE

University of Colorado | Data Structures Course Assistant
August 2019 - Present

Lectured students on data abstractions and their representation techniques along with approaches to debugging in C++.

Prepared students for upcoming exams through individual help hours, study sessions and help on assignments and projects.

Starbucks Corp | Shift Supervisor & Trainer
October 2014 - June 2020

Assisted with new partner training by reinforcing successful performance and giving respectful and encouraging coaching as needed to ensure operational excellence among my team.

Anticipated customer and store needs by consistently assessing atmosphere and mood while executing policies and procedures including cash handling, food and beverage production, retail product management, etc.

Women in Computing | Board Member
January 2020 - May 2022 (Expected)
Promote involvement of women in STEM fields as the volunteer director.
